Chairman's Message

Hello All

The Holiday Season has come and gone and as winter sets in I imagine our cars are put away for some rest or having some maintenance being performed. It was an interesting year for the Chapter, we've gained some new members, hosted an interesting and well attended judging school on engine pads and documentation, we saw one of our members have a car in the Saratoga Auction along with our usual list of chapter events and functions. Thanks to all who participated, hosted, volunteered, or organized these events. Also, I'd like to welcome new members James Rigolino, Ray and Ann Zirkel and Richard Eagen to the Chapter.

The Chapter has once again met the requirements as a Top Flight Chapter so thanks to all who helped us achieve those requirements. Also, we are looking for a Tech session for the coming year. Anyone interested in hosting a tech session or has a tech session topic to present please contact me and we will try to pull something together. I hope everyone has a Happy New Year.

Lief Larsen

VICE CHAIRMAN - *Jim Weir*

Well another year has passed and we are all in the deep freeze here in the North Country. Hope all had a great Christmas and New Year, Our yearly dinner is next week and we hope to see you all there. Anne and I will be leaving soon after for the warm weather, we will spend a couple of days at the Mecum Auction and then on to the Florida Regional for a couple of days. then off to Key West where it is always warm. I am planning a couple of days at the beach to soak in the sun and warm my bones.

We hope everyone has a great 2018 and we will see you all in May.

Jim Weir

JUDGING CHAIRMAN – *Brian Cantele*

Since our last newsletter, we hosted Al Grenning with a presentation about corvette history. The event attracted attendees from quite a distance! It was well attended and covered little known facts about Corvette Production. The eye-opening curriculum made it quite clear that Corvette originality, from a document and manufacturers tag standpoint, may not be as it seems. even certification documents from different entities can be in question! I walked away with simple notion: be careful out there! Thank you Al Grenning for opening our eyes a bit! Preliminary work has begun for our annual judging meet at Georges Collision. The May 18-19 Meet registration is available on our chapter website. As always, I look for early registrations. I have to limit car registrations based upon a guess as to how many judges will register. So, please register early. Also at the end of the newsletter is the Northeast Chapter registration form. They have invited us to participate in their judging meet.

As winter drags on, it seems appropriate to gather for inspiration, while we cannot drive Corvettes. I'm open to suggestions of all kinds. As usual, there's projects happening throughout the chapter. Bill Meess and I have one of the earliest '62s built in the shop for an engine rebuild and a '69 vintage race car is being reassembled. Here's the engine coming out.....

MEMBERSHIP CHAIRMAN – TBD

We currently have 36 members.

We are looking for a volunteer to assume the role of Membership Chairman. Please contact any of the Board members if interested.

Important Notice: If you have not paid your 2018 chapter dues yet please do so as soon as possible. Send your checks made out to Adirondack Chapter NCRS and mail to Lief Larsen c/o MMC Millwork 18 Industrial Park Road, Troy, NY 12180

Below is a note from our Region 1 Director Mark Tulley regarding a proposed by laws revision which was received 12/21/17

Dear NCRS Chapter Chairman,

Late last year it was brought to the NCRS Board's attention that the current version of the NCRS Bylaws (which may be accessed from the NCRS website home page via a link near the bottom of the page) provide the Board with little useful guidance as to the circumstances or process under which an NCRS member's membership might be terminated. What little guidance exists may be found in the current version of NCRS Bylaws Article X. After some discussion, the Board agreed that both the Board and the organization would benefit from better definition of the behaviors that might cause the Board to consider terminating an individual's membership, as well as the process the Board would use to undertake such an action, and the due process to be afforded to the terminated member to dispute their termination before the Board.

A comprehensive review and update of Bylaws Article X was undertaken with the help of a number of the resident lawyers within the organization. The proposed update has been discussed at length by the Board and revised to address specific concerns expressed by individual Board members. The resulting document is attached for your review and comment. Comments should be directed to your Regional Director. The Board expects to consider final adoption of the updated Article X at the annual Board meeting in March, 2018, so your timely response will be appreciated. Please feel free to share this with your Chapter members if you wish.

Best regards,
Mark Tulley
MERRY CHRISTMAS

Director, Region 1

Proposed Update

ARTICLE X – TERMINATION OF MEMBERSHIP FOR NON-PAYMENT OF DUES; MEMBER'S RESIGNATION; MEMBERSHIP SUSPENSION; MEMBERSHIP TERMINATION.

10.1 When any Member is in default in the payment of dues ("Defaulting Member"), the Defaulting Member's membership shall be automatically terminated. Membership may be reactivated by payment of the Defaulting Member's unpaid dues. The Defaulting Member's membership number may be reissued, or a new membership number may be assigned to a member who re-joins the Club after his/her membership was terminated for non-payment of dues. The assignment of the original or new membership number shall be based on the sole discretion of the Club.

10.2 Any Member may resign by filing a written resignation with the Secretary who shall make a record of the resignation and notify the Membership Services Manager. Resignation shall not relieve the resigning Member of the obligation to pay assessments or other charges theretofore accrued and unpaid, nor is a resigning Member entitled to a refund of any dues paid by the resigning member.

10.3 A quorum of the Board by a two-thirds (2/3) majority of those voting may suspend any Member whose conduct, in the Board's reasonable judgment, is (a) in conflict with the purpose of the Club, (b) may adversely affect the reputation or interests of the Club, (c) acts or fails to act in a manner contrary to any provision of these Bylaws, the NCRS Policy and Accounting Procedures or the provisions contained within the Club's current and future editions of the Judging Reference Manual, (d) a member's unauthorized use of the Club's intellectual property including all tradenames or trademarks including the initials "NCRS" or phrase "NCRS Judge", used in the member's direct or indirect commercial or for-profit purposes, or (e) fails to carry out with reasonable diligence the authorized directives of the Board, or any officer, employee or authorized agent of the NCRS.

If the Board duly determines that a member shall be suspended ("Suspended Member"), the Board shall notify the Suspended Member in writing of the factual basis for the suspension, and the duration and commencement date of such suspension. The Board's decision shall be mailed by United States mail, postage prepaid to the Suspended Member's last known mailing address ("Notice of Suspension"). Suspension will be effective as of the date the written Notice of Suspension is duly placed in the United States mail. The written Notice of Suspension shall advise the Suspended Member of his or her right to personally appear (not by agent, attorney or other representative) for a hearing before the Board of Directors during the first available regularly scheduled Board Meeting after the Notice of Suspension has been mailed to the Suspended Member. The Suspended Member shall be given no less than thirty (30) days advance written notice prior to the hearing date before the Board. The Suspended Member shall have the right to present whatever reliable statements, evidence, affidavits, or other information tending to support the Suspended Member's defense to the Board's decision to suspend the Suspended Member. In lieu of appearing in person before the Board, the Suspended Member may submit a written statement to the Board of Directors to be read and discussed during the first available regularly scheduled Board of Directors meeting. Such statement

may include additional reliable statements, evidence, affidavits, or other information tending to support the Suspended Member's defense to the Board's decision to suspend the Suspended Member. A quorum of the Board may, by a two-thirds (2/3) majority of those voting, reverse or amend the Suspended Member's suspension provided the Suspended Member meets the terms that the Board deems appropriate for such reinstatement or amended suspension. The Suspended Member will be notified by mail of the final decision of the Board.

Subject to the Board's discretion as to which of the following privileges are suspended, any member whose membership is under suspension may not (i) be entitled to receive the Club's publications or chapter newsletters, (ii) be permitted to utilize the Club's electronic discussion board or archival services, (iii) be permitted to participate in any national, regional or chapter event, (iv) be entitled to register a car for any NCRS judging event, (v) renew the Suspended Member's membership, (vi) rejoin the Club, (vii) vote in any Club election, or (viii) enjoy the use or benefit of any other Club privilege. A suspended Member is not entitled to a refund of dues unless the Board elects to do so.

10.4 A quorum of the Board, by a two thirds (2/3) majority of those voting, may permanently **expel** any Member ("Expelled Member") for any of the following reasons that are found to be injurious to the Club and for any of the following reasons: (i) the member's indictment for a felony (ii) the member's inability (with or without reasonable accommodation) or failure to carry out, or neglect or misconduct in the performance of, the member's duties imposed by these Bylaws, the NCRS Policy and Accounting Procedures or the provisions contained within the Club's current and future editions of the Club's Corvette Judging Reference Manual, or fails to carry out with reasonable diligence the authorized directives of the Board, or any officer, employee or authorized agent of the NCRS; (iii) the member's moral turpitude including any act of dishonesty, fraud, deceit, misrepresentation, or deliberate violence, acts concerning matters of personal morality, anything done knowingly contrary to justice, honesty, principle, or good morals; an act of baseness, vileness, or depravity in the private and social duties which a member owes to others or society in general; (iv) failure to comply with applicable laws with respect to the conduct of the Club's purposes; (v) theft, fraud or embezzlement; (vi) addiction to an illegal drug or controlled substance; (vii) conduct or involvement in a

commercial or social situation that brings, or may bring, the member into public disrespect, tends to offend the community or any group thereof, or embarrasses or reflects unfavorably on the Club's reputation; (viii) a member's unauthorized use of the Club's intellectual property including all tradenames or trademarks including the initials "NCRS" or phrase "NCRS Judge", used in the member's direct or indirect commercial or for-profit purposes, (ix) or any other egregious act that the Board deems to be significantly detrimental to the Corvette hobby or NCRS judging of Corvettes.

If the Board duly determines that a member shall be expelled, the Board shall notify the Expelled Member in writing of the factual basis for the expulsion. The Board's decision shall be mailed by United States mail, postage prepaid to the Expelled Member's last known mailing address ("Notice of Expulsion"). Expulsion will be effective as of the date the written Notice of Expulsion is duly placed in the United States mail. The written Notice of Expulsion shall advise the Expelled Member of his or her right to personally appear (not by agent, attorney or other representative) for a hearing before the Board of Directors during the first available regularly scheduled Board Meeting after the Notice of Expulsion has been mailed to the Expelled Member. The Expelled Member shall be given no less than thirty (30) days advance written notice prior to the hearing date before the Board. The Expelled Member shall have the right to present whatever reliable statements, evidence, affidavits, or other information tending to support the Expelled Member's defense to the Board's decision to expel the Expelled Member. In lieu of appearing in person before the Board, the Expelled Member may submit a written statement to the Board of Directors to be read and discussed during the first available regularly scheduled Board of Directors meeting. Such statement may include additional reliable statements, evidence, affidavits, or other information tending to support the Expelled Member's defense to the Board's decision to expel the Expelled Member. A quorum of the Board may, by a two-thirds (2/3) majority of those voting, reverse the Expelled Member's expulsion or elect to convert the expulsion to a suspension.

No expelled member shall be entitled to receive the Society's publications, chapter newsletters, be permitted to utilize the Club's electronic discussion board or archival services, and shall not be permitted to participate in any national, regional or chapter event, participate in or enjoy the use of any other Club activity or privilege, renew the Expelled Member's membership,

rejoin the Club, or vote in any Club election. An Expelled Member is not entitled to a refund of dues unless the Board elects to do so.

Except under extraordinary circumstances, an expelled member is not entitled to request a hearing for re-admission to the Club on any future date.

10.5 In any event where a member in good standing of the NCRS deems another member has violated the above policies, that individual may file a formal complaint charging another member with an impropriety. The complainant must issue a detailed letter to their Regional Director or the NCRS President within 30 days of said event. The letter must include a list of the specific improprieties, the time and date of the occurrence and must be witnessed by at least one member in good standing with the NCRS. The letter must also be signed and notarized by all complainants. No emails or other forms of communication shall be accepted.
