Third Quarter 2018

Chairman's Message

9-12-18

We've had a nice hot summer and I hope you have all taken advantage of it. Fall is now upon us and we can look forward to some cooler days to enjoy our corvettes. There have been a few Chapter functions since the last newsletter....the VIP show, the Tech session removing Bob Gallo's Drive train, Corvettes at Carlisle and we have resumed our Membership meeting this month.

Speaking of which, we saw the return of Anne Flowers at the September 10th meeting. Welcome back Anne, it was good to see you out and about.

Some housekeeping item for your consideration:

1. In order to attain our Chapter Top flight we need to complete 2 more items, have a Chapter Social event and have a Chapter road tour. Both items are in the works and we look forward to your participation if possible

2. Chapter elections are just around the corner. We need to fill four positions which so please consider volunteering. We also need a volunteer to present the slate of nominees.
3. There has been some conversation regarding adopting on-line registration for the chapter. I would like to open conversation about this at the next meeting.
4. It is time to start thinking about a date for our spring Judging Meet so we can get the registration form into the Driveline. It should be submitted no later than November.

If you have received your latest Driveline on the front cover there is information about the Judging Retreat coming up March 14-17 2019. I've attended the last 2 and highly recommend this program to anyone interested in learning more about NCRS Judging. Two days, classroom and hands on judging of cars, and you get to meet some very knowledgeable people.

Please try to attend one of our chapter functions soon

Thanks

Lief Larsen

JUDGING CHAIRMAN - <i>Brian Cantele</i>
--

Once again, the NCRS library has expanded and improved. This time it's a new group of cars as, hard to believe, the 2002 model year cars are now over 15 years old. I blinked and my "new" '02 is now eligible for judging. So, I have received the 1999-2002 judging manual. It's being duplicated into sections for ease of judging and catalogued into the library. With the receipt of the manual, it dawned upon me that perhaps a judging school and/or tech session may be in order. The advent of the fifth generation (C5) brought massive changes. The return to a full frame platform, rear mounted transmission, construction techniques, heads up display and many other new features adorn C5's. Therefore, I'm asking for input (and help) to determine if a presentation is in order. We'll study and learn unique component names, designs and locations. A few of our members, myself included, have C5's and can provide input on operations. C5's share with previous generations a propensity for certain components to be troublesome.

Stepping back in time a bit, I've come upon several cars in the past few years with timing problems that often manifest the issue with overheating and poor operation. On a tech session topic, my thoughts steer toward a back to basics approach on some tune up topics. Again, it can be brought to reality if there's support for such a presentation. Bring your notebooks for this one. Lots of little nuggets of information will be given.

That's all for this issue. Ring my phone, message or email me with your thoughts. I look forward to seeing you at the next event. Drive it like you stole it once in a while....it was made for it and they still make replacement parts.

MEMBERSHIP CHAIRMAN - *Jim Sabia*

Current member count is 39

Please send all dues and applications to:

James Sabia
585 Main Street Poughkeepsie NY 12601

ACTIVITIES CHAIRMAN – *Michael Kalogridis*

**Adirondack Chapter NCRS
2018 Events**

SECRETARY'S REPORT - *Tom Flowers*

**NCRS ADIRONDACK CHAPTER – GENERAL MEMBERSHIP MEETING
9/10/18**

A general membership meeting was held on 9/10/18. The meeting was called to order at 6:08 pm at Scarborough's Restaurant in Latham by Lief Larsen, Chairperson.

Members present were Mike Craig, Michael Kalogridis, Mike Wilson, Steve Wittek, Ray Zirkel, Tom Flowers, Anne Flowers, Bob Gallo, Lief Larsen

Chairperson:

Lief Larsen welcomed and thanked everyone for coming the Chapter meeting. Lief spoke about picking a date for the 2019 Judging meet. This time needs to be set quickly. Our next meeting will be October 10th at Scarborough's Restaurant. There will be continuous conversations about rotating meeting locations. Lief spoke about cruising to the VIP Car Show on 9/16/18 and meeting up at the Halfmoon Diner to cruise to the car show. Lief also spoke of a social event to replace the rained out picnic. An October 14th cruise was mentioned for this (place and time to be determined). Lief mentioned that chapter nominations for officers and appointed positions will be here quickly. An email will be sent to members. National NCRS election for Region One will be taking place. Check your Restorer magazine for more info.

Vice Chairperson:

No report.

Treasurer:

Mike Wilson reported about the checking account balance.

Secretary:

Tom Flowers reported the April and May minutes were in the last newsletter.

Membership:

No Report.

Newsletter Editor:

Bob Gallo noted that the deadline for submissions would be September 20th for the third quarter newsletter.

Webmaster:

No report.

Judging:
No report.

Activities:
Mike Kalogridis will email members about all events and activities mentioned at this meeting.

Old Business
None.

New Business:
None.

Mike Kalogridis made a motion to close the meeting and Ray Zirkel seconded the motion. All in favor none opposed and the motion carried.

The meeting adjourned 7:58 pm.
